CAMPBELL UNION SCHOOL DISTRICT
(Santa Clara County, California)
2024 GENERAL OBLIGATION BONDS
(Series 2010J and Series 2022A Combined Issue)

NOTICE IS HEREBY GIVEN that *electronic bids only* for the purchase of \$55,000,000* aggregate principal amount of Campbell Union School District (Santa Clara County, California) 2024 General Obligation Bonds, (Series 2010J and Series 2022A Combined Issue) (the “Bonds”), will be received by the Campbell Union School District (the “District”) at the time and in the form below specified:

DATE AND TIME: *TUESDAY, APRIL 16, 2024, until 9:30 A.M. (Pacific Daylight Time).*

SUBMISSION OF BIDS: Bids may be submitted (for receipt not later than the time set forth above) *electronically only* through the I-Deal LLC BiDCOMP/PARITY® system (“PARITY®”). See “FORM OF BID” herein.

ISSUE; BOOK ENTRY: \$55,000,000* consisting of fully registered bonds. The Bonds will be dated as of their date of delivery, expected to be May 7, 2024, and will be issued in minimum denominations of \$5,000. The Bonds will be issued in a book entry only system with no physical distribution of the Bonds made to the public. The Depository Trust Company (“DTC”), will act as depository for the Bonds which will be immobilized in its custody. The Bonds will be registered in the name of Cede & Co., as nominee for DTC, on behalf of the participants in the DTC system and the subsequent beneficial owners of the Bonds.

MATURITIES: The Bonds will mature, or be subject to mandatory sinking fund redemption, on the dates and in the amounts, as set forth in the following table. *Each bidder is required to specify in its bid whether, for any particular year, the Bonds will mature or, alternately, be subject to mandatory sinking fund redemption in such year:*

Maturity Date (August 1)	Principal Amount*	Maturity Date (August 1)	Principal Amount*

ADJUSTMENT OF PRINCIPAL AMOUNT AND OF MATURITIES: The maturity amounts set forth above for the Bonds may be adjusted either upward or downward at the discretion of the District after award of the Bonds has been made to the successful bidder. The successful bidder will be notified of the actual principal amounts and maturity schedule relating to the Bonds within 26 hours after the expiration of the time prescribed for the receipt of proposals. Any increase or decrease will be in \$5,000 increments of

*Preliminary, subject to change.

principal amounts. In the event of any such adjustment, no re-bidding or recalculation of the bids submitted will be required or permitted and no successful bid may be withdrawn. The successful bidder will not be permitted to change the interest rates in its bid. Adjustments will be made in such a way as to protect proposed underwriting spreads as described below.

Adjustments to maturities will be made according to the process described below. Each bid will consist of nominal interest rates to be applied to each given maturity and a purchase price for all the bonds. The winning bidder will be the bidder whose bid is determined to offer the lowest true interest cost on such basis. The winning bidder will be asked to provide reoffering yields for each maturity and a gross production amount per bond will be established and agreed upon. The District and its municipal advisor will then adjust maturity amounts in order to produce the desired repayment structure and a new purchase price determined so that the gross production amount per bond is the same using the new principal amounts and the new purchase price as it was using the original principal amounts and the original purchase price. Both the nominal interest rates and the reoffering yields provided by the winning bidder will remain the same.

INTEREST: The Bonds shall bear interest, calculated on a 30/360 day basis, at a rate or rates to be fixed upon the sale thereof but not to exceed 6% per annum, payable semiannually on each February 1 and August 1, commencing February 1, 2025.

PAYMENT: Principal of the Bonds will be payable upon surrender at U.S. Bank Trust Company, National Association, San Francisco (the "Paying Agent"). Interest on the Bonds will be payable by check or draft mailed by first class mail to the owner at the address listed on the registration books maintained by the Paying Agent for such purpose.

REGISTRATION: The Bonds will be issued as fully registered bonds as to both principal and interest. The Bonds will be issued in the book-entry system of The Depository Trust Company ("DTC"), and the ownership of the Bonds will be registered to the nominee of DTC.

OPTIONAL REDEMPTION: The Bonds maturing on and after August 1, _____, are callable for redemption prior to their stated maturity date at the option of the District, in whole or in part, by such maturities as shall be selected by the District, on any date on or after August 1, _____, from any source lawfully available therefor, at a redemption price equal to the principal amount of the Bonds called for redemption, together with accrued interest to the date fixed for redemption without premium.

SINKING FUND REDEMPTION: Any bidder may, at its option, specify that one or more maturities of the Bonds will consist of term Bonds which are subject to mandatory sinking fund redemption in consecutive years immediately preceding the maturity thereof, as designated in the bid of such bidder. In the event that the bid of the successful bidder specifies that any maturity of Bonds will be term Bonds, such term Bonds will be subject to mandatory sinking fund redemption on August 1 in each year so designated in the bid, in the respective amounts for such years as set forth above under the heading "MATURITIES," at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium.

No interest on the Deposit will accrue to any bidder.

CHANGE IN TAX EXEMPT STATUS: At any time before the Bonds are tendered for delivery, the successful bidder may disaffirm and withdraw his proposal if the interest received by private holders from Bonds of the same type and character shall be declared to be taxable income under present federal income tax laws, either by a ruling of the Internal Revenue Service or by a decision of any federal court, or shall be declared taxable, or be required to be taken into account in computing federal income taxes (except

alternative minimum taxes and environmental taxes payable by corporations) by any federal income tax law enacted subsequent to the date of this notice.

CLOSING PAPERS; BOND PRINTING: Each proposal will be understood to be conditioned upon the District furnishing to the purchaser, without charge, concurrently with payment for and delivery of the Bonds, the following closing papers, each dated the date of delivery:

(a) The opinion of Quint & Thimmig LLP, Larkspur, California, Bond Counsel, approving the validity of the Bonds and stating that, subject to the District's compliance with certain covenants, interest on the Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not included as an item of tax preference in computing the alternative minimum tax under the Internal Revenue Code of 1986, as amended, and interest on the Bonds is exempt from personal income taxes of the State of California. Other tax consequences to holders of the Bonds, if any, are not addressed in the opinion;

(b) A certificate of the District certifying that on the basis of the facts, estimates and circumstances in existence on the date of issue, it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be arbitrage bonds;

(c) A certificate of the District, signed by officers and representatives of the District, certifying that the officers and representatives have signed the Bonds whether by facsimile or manual signature, and that they were respectively duly authorized to execute the same;

(d) The receipt of the District evidencing the receipt of the purchase price of the Bonds;

(e) A certificate of the District, certifying that there is no known litigation threatened or pending affecting the validity of the Bonds; and

(f) A certificate of the District, signed by an officer of the District, acting in his official capacity, to the effect that at the time of the sale of the Bonds, and at all times subsequent thereto up to and including the time of the delivery of the Bonds, the Official Statement relating to the Bonds did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

CUSIP NUMBERS: It is anticipated that CUSIP numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses of printing CUSIP numbers on the Bonds and the CUSIP Service Bureau charge for the assignment of said numbers shall be paid by the successful bidder.

ESTABLISHMENT OF ISSUE PRICE: The winning bidder shall assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the District and Bond Counsel. All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the Municipal Advisor and any notice or report to be provided to the District may be provided to the Municipal Advisor.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

The District may choose to apply either the “Competitive Bid” method or the “General Method” in determining the “Issue Price” of the Bonds. If the District does not receive bids from at least three underwriters who have established industry reputations for underwriting new issuances of municipal bonds, the District will use the “General Method” based on actual sale prices of at least 10% of each maturity of the Bonds.

CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION: The successful bidder will be required, pursuant to State law, to pay any fees to the California Debt and Investment Advisory Commission when due.

DTC FEES: All fees due DTC with respect to the Bonds shall be paid by the successful bidder or bidders.

OFFICIAL STATEMENT: The District has caused to be prepared a Preliminary Official Statement describing the Bonds in a form deemed final by the District within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, except for certain information which is permitted under said Rule 15c2-12 to be omitted from the Preliminary Official Statement. A copy of the Preliminary Official Statement will be furnished upon request to Backstrom McCarley Berry & Co., LLC, 115 Sansome Street, Mezz. A, San Francisco, CA 94104, telephone (650) 454-4856. The District will furnish to the successful bidder within seven business days following the date of award, at no charge, not in excess of 25 copies of the Official Statement for use in connection with any resale of the Bonds.

DISCLOSURE CERTIFICATE: The District will deliver to the purchaser of the Bonds a certificate of an official of the District, dated the date of Bond delivery, stating that as of the date thereof, to the best of the knowledge and belief of said official, the Official Statement does not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and further certifying that the signatory knows of no material adverse change in the condition of the District which would make it unreasonable for the purchaser of the Bonds to rely upon the Official Statement in connection with the resale of the Bonds.

CONTINUING DISCLOSURE: In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the District will undertake, pursuant to the resolution authorizing issuance of the Bonds and a Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the preliminary Official Statement and will also be set forth in the final Official Statement.
