Porterville, California 93257

OPINION: \$_____ City of Porterville (Tulare County, California) Pension Obligation Bonds,
Series 2022 (Federally Taxable)

Members of the City Council:

We have acted as bond counsel to the City of Porterville (the "City") in connection with the issuance by the City of \$_____ principal amount of City of Porterville (Tulare County, California) Pension Obligation Bonds, Series 2022 (Federally Taxable) (the "Bonds"), pursuant to the provisions of Articles 9 and 11 of Chapter 3 (commencing with section 53550) of Division 2 of Title 5 of the California Government Code (the "Act"), a Trust Agreement, dated as of August 1, 2022, by and between the City and U.S. Bank Trust Company, National Association, as trustee (the "Trust Agreement"), and resolutions adopted by the City Council of the City on April 5, 2022, and _____, 2022 (collectively, the "Resolutions"). We have examined the law and such certified proceedings and other papers as we deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the City contained in the Trust Agreement, the Resolutions and in the certified proceedings and certifications of public officials and others furnished to us, without undertaking to verify such facts by independent investigation.

Based upon our examination, we are of the opinion, as of the date hereof, that:

1. The City is duly created and validly existing as a general law city and municipal corporation with power to enter into the Trust Agreement, to perform the agreements on its part contained therein and to issue the Bonds.

2. The Bonds constitute legal, valid and binding obligations of the City enforceable in accordance with their terms and payable solely from the sources provided therefor in the Trust Agreement.

3. The Trust Agreement has been duly authorized, executed and delivered by the City and constitutes a legal, valid and binding obligation of the City enforceable against the City in accordance with its terms.

4. Interest on the Bonds is includible in gross income for federal income tax purposes.

5. The interest on the Bonds is exempt from personal income taxation imposed by the State of California.

Ownership of the Bonds may result in other tax consequences to certain taxpayers, and we express no opinion regarding any such collateral consequences arising with respect to the Bonds.

The rights of the owners of the Bonds and the enforceability of the Bonds and the Trust Agreement may be subject to the bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and also may be subject to the exercise of judicial discretion in accordance with general principles of equity.

Our opinion represents our legal judgment based upon such review of the law and the facts that we deem relevant to render our opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Respectfully submitted,
