(b) The City hereby approves the Indenture, the assignment to the Trustee of the rights (but none of the obligations) of the Authority assigned or purported to be assigned thereunder, and the issuance of the Bonds by the Authority thereunder.

All contracts for, and all work relating to, the Acquisition and Construction of the 2022 Project shall be subject to all applicable provisions of law relating to the acquisition and construction of public works by the City. The Authority expects that the Acquisition and Construction of the 2022 Project will be completed on or before May 1, 2025; *provided, however*, that the failure to complete the 2022 Project by the estimated Completion Date thereof shall not constitute an Event of Default hereunder or a grounds for termination hereof, nor shall such failure result in the diminution, abatement or extinguishment of the obligations of the City hereunder to pay the Lease Payments allocable to the 2022 Project.

The City shall have the right from time to time in its sole discretion to amend the description of the 2022 Project to be financed and leased by the Authority hereunder.

Upon the completion of the Acquisition and Construction of the 2022 Project, the amounts, if any, on deposit in the Project Fund shall be transferred by the City to the Trustee for deposit in the Bond Fund and the City shall close the Project Fund.

Section 3.4. Grant of Easements. The City hereby grants to the Authority all necessary easements, rights of way and rights of access in and to all real property or interests therein now or hereafter acquired and owned by the City, as may be necessary or convenient to

enable the Authority to acquire, construct and install the 2022 Project thereon or thereabouts. The City covenants that it will execute, deliver and record any and all additional documents as may be required to be executed, delivered and recorded to establish such easements, rights of way and rights of access.

Section 3.5. Appointment of City as Agent of Authority. The Authority hereby appoints the City as its agent to carry out all phases of the Acquisition and Construction of the 2022 Project pursuant to and in accordance with the provisions hereof. The City hereby accepts such appointment and assumes all rights, liabilities, duties and responsibilities of the Authority regarding the Acquisition and Construction of the 2022 Project. The Authority, or the City as agent of the Authority hereunder, shall enter into, administer and enforce all purchase orders or other contracts relating to the Acquisition and Construction of the 2022 Project. All contracts for, and all work relating to, the Acquisition and Construction of the 2022 Project shall be subject to all applicable provisions of law relating to the acquisition, construction, improvement, and equipping of like project and property by joint powers authorities and by municipal corporations.

ARTICLE IV

LEASE OF PROPERTY; TERM OF THE LEASE AGREEMENT; LEASE PAYMENTS

Section 4.1. Lease of Property. The Authority hereby leases the Property to the City, and the City hereby leases the Property from the Authority, upon the terms and conditions set forth in this Lease Agreement.

Section 4.2. Term of Lease. This Lease Agreement shall take effect on the date hereof, and shall end on the earlier of August 1, 2031, or such earlier date on which the Bonds shall no longer be Outstanding under the Indenture. If, on August 1, 2031, the Indenture shall not be discharged by its terms or if the Lease Payments payable hereunder shall have been abated at any time and for any reason, then the Term of the Lease Agreement shall be extended until there has been deposited with the Trustee an amount sufficient to pay all obligations due under the Lease Agreement, but in no event shall the Term of the Lease Agreement extend beyond August 1, 2041.

Section 4.3. Lease Payments.

(a) *Obligation to Pay*. In consideration of the lease of the Property from the Authority hereunder and subject to the provisions of Section 6.2, the City agrees to pay to the Authority, its successors and assigns, as rental for the use and occupancy of the Property during each Fiscal Year, the Lease Payments (denominated into components of principal and interest) for the Property in the respective amounts specified in Exhibit C hereto, to be due and payable on the respective Lease Payment Dates specified in Exhibit C hereto. Any amount held in the Revenue Fund, the Interest Account or the Principal Account (including, specifically, amounts transferred to the Interest Account and the Principal Account from the Golf Course Account) on any Lease Payment Date, derived from any source of funds of the City or the Authority, shall be credited towards the Lease Payment then due and payable. The Lease Payments coming due and payable in any Fiscal Year shall be for the use of the Property for such Fiscal Year.

The City's obligation to pay Lease Payments hereunder shall be absolute and unconditional subject only to abatement, in the event and to the extent that there is substantial interference with the use and occupancy of the property or any portion thereof, as provided in Section 6.2.

(b) *Rate on Overdue Payments*. In the event the City should fail to make any of the payments required in this Section 4.3, the payment in default shall continue as an obligation of the City until the amount in default shall have been fully paid, and the City agrees to pay the same with interest thereon, from the date of default to the date of payment at the highest rate of interest borne by any Outstanding Bond. Such interest, if received, shall be deposited in the Revenue Fund.

(c) *Fair Rental Value*. The Lease Payments and Additional Payments coming due and payable in each Fiscal Year shall constitute the total rental for the Property for each Fiscal Year and shall be paid by the City in each Fiscal Year for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of, the Property during each Fiscal Year. The Authority and the City hereby agree and determine that the total Lease Payments do not exceed the fair rental value of the Property. In making such

determination, consideration has been given to the obligations of the parties under this Lease Agreement, the value of the Property, the uses and purposes which may be served by the Property and the benefits therefrom which will accrue to the City and the general public.

(d) *Source of Payments; Budget and Appropriation.* The Lease Payments shall be payable from any source of available funds of the City, subject to the provisions of Section 6.2. The City covenants to take such action as may be necessary to include all Lease Payments due hereunder in each of its budgets during the Term of the Lease Agreement and to make the necessary annual appropriations for all such Lease Payments. The covenants on the part of the City herein contained shall be deemed to be and shall be construed to be ministerial duties imposed by law and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance of the official duty of such official to enable the City to carry out and perform the covenants and agreements in this Lease Agreement agreed to be carried out and performed by the City. During the Term of the Lease Agreement, the City shall furnish to the Authority and the Trustee, no later than ten days following the adoption of a budget for the current Fiscal Year, a certificate stating that the Lease Payments due in that Fiscal Year have been included in the budget approved by the City Council for such Fiscal Year.

(e) *Assignment.* The City understands and agrees that all Lease Payments have previously been assigned by the Authority to the Trustee in trust, pursuant to Section 5.01 of the Indenture, for the benefit of the Owners of the Bonds, and the City hereby assents to such assignment. The Authority hereby directs the City, and the City hereby agrees, to pay all of the Lease Payments to the Trustee at its Office.

(f) *Security Deposit.* Notwithstanding any other provision of this Lease Agreement, the City may on any date secure the payment of the Lease Payments for the Property in whole or in part by depositing with the Trustee an amount of cash which, together with other available amounts, including but not limited to amounts on deposit in the Revenue Fund, is either (i) sufficient to pay such Lease Payments, including the principal and interest components thereof, and premium, if any, in accordance with the Lease Payment schedule set forth in Exhibit C, or (ii) invested in whole or in part in Defeasance Obligations in such amount as will, in the opinion of an Independent Accountant, together with interest to accrue thereon and together with any cash which is so deposited, be fully sufficient to pay such Lease Payments when due hereunder, as the City shall instruct at the time of said deposit. Said security deposit shall be deemed to be and shall constitute a special fund for the payment of Lease Payments in accordance with the provisions of this Lease Agreement.

~~Section 4.4. No Prepayment Option. The Authority hereby grants an option to the City to prepay the principal component of the Lease Payments in full, or in part, without premium. The Lease Payments are not subject to optional prepayment.~~

~~Said option may be exercised with respect to Lease Payments due on and after July 15, _____, in whole or in part on any date commencing July 15, _____. Said option shall be exercised by the City by giving written notice to the Authority and the Trustee of the exercise of such option at least thirty (30) days prior to said Lease Payment Date. Such option shall be exercised in the event of prepayment in full, by depositing with said notice cash in an amount, which, together with amounts then on deposit in the Insurance and Condemnation Fund and the Revenue Fund, will be sufficient to pay the aggregate unpaid Lease Payments on said Lease Payment Date as set forth in Exhibit C hereto, together with any Lease Payments then due but unpaid, or, in the event of prepayment in part, by depositing with~~

~~said notice cash equal to the amount desired to be prepaid (the principal component of which shall be an amount divisible by \$5,000) together with any Lease Payments then due but unpaid. In the event of prepayment in part, the partial prepayment shall be applied against Lease Payments in such manner and shall be applied to redeem Bonds as the City shall determine and if the City shall fail to make such determination, pro rata Lease Payments due after any such partial prepayment shall be in the amounts set forth in a revised Lease Payment schedule which shall be provided by, or caused to be provided by, the City to the Trustee and which shall represent an adjustment to the schedule set forth in Exhibit C attached hereto taking into account said partial prepayment.~~

Section 4.5. Quiet Enjoyment. During the Term of the Lease Agreement, the Authority shall provide the City with quiet use and enjoyment of the Property, and the City shall, during such Term, peaceably and quietly have and hold and enjoy the Property without suit, trouble or hindrance from the Authority, except as expressly set forth in this Lease Agreement. The Authority will, at the request of the City and at the City's cost, join in any legal action in which the City asserts its right to such possession and enjoyment to the extent the Authority may lawfully do so. Notwithstanding the foregoing, the Authority shall have the right to inspect the Property as provided in Section 7.2.

Section 4.6. Title. If the City pays all of the Lease Payments and Additional Payments during the Term of the Lease Agreement as the same become due and payable, or if the City posts a security deposit for payment of the Lease Payments pursuant to Section 4.3(f), and if the City has paid in full all of the Additional Payments coming due and payable as of such date, and provided in any event that no Event of Default shall have occurred and be continuing, all right, title and interest of the Authority in and to the Property shall be transferred to and vested in the City. The Authority agrees to take any and all steps and execute and record any and all documents reasonably required by the City to consummate any such transfer of title.

Section 4.7. Additional Payments. In addition to the Lease Payments, the City shall pay when due the following Additional Payments:

(a) All taxes and assessments of any type or character charged to the Authority or to the Trustee affecting the amount available to the Authority or the Trustee from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including taxes and assessments assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Trustee and taxes based upon or measured by the net income of the Trustee; provided, however, that the City shall have the right to protest any such taxes or assessments and to require the Authority or the Trustee, at the City's expense, to protest and contest any such taxes or assessments levied upon them and that the City shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Authority or the Trustee;

(b) All reasonable fees, charges and expenses of the Trustee for services rendered under the Indenture as and when the same become due and payable;

(c) The reasonable fees and expenses of such accountants, consultants, attorneys and other experts as may be engaged by the Authority or the Trustee to prepare audits, financial

statements, reports, opinions or provide such other services required under the Site and Facility Lease, this Lease Agreement or the Indenture; and

(d) The reasonable fees and expenses of the Authority or any agent or attorney selected by the Authority to act on its behalf in connection with the Site and Facility Lease, this Lease Agreement or the Indenture or the Bonds, including, without limitation, any and all reasonable expenses incurred in connection with the authorization, issuance, sale and delivery of the Bonds or in connection with any litigation, investigation or other proceeding which may at any time be instituted involving the Site and Facility Lease, this Lease Agreement or the Indenture or the Bonds or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the City, its properties, assets or operations or otherwise in connection with the administration of the Site and Facility Lease, this Lease Agreement or the Indenture.

(e) Any amounts due and payable by the City as arbitrage rebate under section 148 of the Code with respect to the Bonds, pursuant to City's covenants and agreements with respect thereto in Section 6.08 of the Indenture and Section 5.10(c) hereof.

Such Additional Payments shall be billed to the City by the Authority or the Trustee from time to time, together with a statement certifying that the amount billed has been incurred or paid by the Authority or the Trustee for one or more of the above items. After such a demand, amounts so billed shall be paid by the City within thirty (30) days after the date of invoice. Notwithstanding the foregoing, the Authority shall not be required to submit a bill to the City for any amounts due with respect to arbitrage rebate under Section 6.08 of the Indenture, the calculation and payment for which is the responsibility of the City.

ARTICLE V
MAINTENANCE, TAXES, INSURANCE AND OTHER
MATTERS

Section 5.1. Maintenance, Utilities, Taxes and Assessments. Throughout the Term of the Lease Agreement, as part of the consideration for the rental of the Property, all improvement, repair and maintenance of the Property shall be the responsibility of the City and the City shall pay for or otherwise arrange for the payment of all utility services supplied to the Property which may include, without limitation, janitor service, security, power, gas, phone, light, heating, water and all other utility services, and shall pay for or otherwise arrange for the payment of the cost of the repair and replacement of the Property resulting from ordinary wear and tear or want of care on the part of the City or any assignee or lessee thereof. In exchange for the Lease Payments herein provided, the Authority agrees to provide only the Property, as hereinbefore more specifically set forth. The City waives the benefits of subsections 1 and 2 of Section 1932 of the California Civil Code, but such waiver shall not limit any of the rights of the City under the terms of this Lease Agreement.

The City shall also pay or cause to be paid all taxes and assessments of any type or nature, if any, charged to the Authority or the City affecting the Property or the respective interests or estates therein; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the City shall be obligated to pay only such installments as are required to be paid during the Term of the Lease Agreement as and when the same become due.

The City may, at the City's expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority shall notify the City that, in the reasonable opinion of the Authority, by nonpayment of any such items, the interest of the Authority in the Property will be materially endangered or the Property or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay such taxes, assessments or charges or provide the Authority with full security against any loss which may result from nonpayment, in form satisfactory to the Authority.

Section 5.2. Modification of Property. The City shall, at its own expense, have the right to make additions, modifications and improvements to the Property. All additions, modifications and improvements to the Property shall thereafter comprise part of the Property and be subject to the provisions of this Lease Agreement. Such additions, modifications and improvements shall not in any way damage the Property or cause the Property to be used for purposes other than those authorized under the provisions of State and federal law; and the City shall file with the Trustee and the Authority a Written Certificate of the City stating that the Property, upon completion of any additions, modifications and improvements made thereto pursuant to this Section 5.2, shall be of a value which is not substantially less than the value of the Property immediately prior to the making of such additions, modifications and improvements. The City will not permit any mechanic's or other lien to be established or remain against the Property for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements made by the City pursuant to this Section 5.2; provided that if any such lien is established and the City shall first notify or cause to be

notified the Authority of the City's intention to do so, the City may in good faith contest any lien filed or established against the Property, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom and shall provide the Authority with full security against any loss or forfeiture which might arise from the nonpayment of any such item, in form satisfactory to the Authority. The Authority will cooperate fully in any such contest, upon the request and at the expense of the City.

Section 5.3. Public Liability and Property Damage Insurance. The City shall maintain or cause to be maintained throughout the Term of the Lease Agreement, a standard comprehensive general insurance policy or policies in protection of the Authority, the City, and their respective Board members, Council members, officers, agents, employees and assigns. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Property. Said policy or policies shall provide coverage in the minimum liability limits of \$1,000,000 for personal injury or death of each person and \$3,000,000 for personal injury or deaths of two or more persons in each accident or event, and in a minimum amount of \$100,000 (subject to a deductible clause of not to exceed \$250,000) for damage to property resulting from each accident or event. Such public liability and property damage insurance may, however, be in the form of a single limit policy in the amount of \$3,000,000 covering all such risks. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and such liability insurance may be maintained in whole or in part in the form of self-insurance by the City, subject to the provisions of Section 5.7, or in the form of the participation by the City in a joint powers agency or other program providing pooled insurance. The proceeds of such liability insurance shall be applied by the City toward extinguishment or satisfaction of the liability with respect to which they are paid.

Section 5.4. Fire and Extended Coverage Insurance. The City shall procure and maintain, or cause to be procured and maintained, throughout the Term of the Lease Agreement, insurance against loss or damage to the improvements constituting a part of the Property by fire and lightning, with extended coverage and vandalism and malicious mischief insurance. Said extended coverage insurance, when required, shall, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. Such insurance shall be in an amount at least equal to the lesser of (a) one hundred percent (100%) of the replacement cost of all of the insured improvements, or (b) the aggregate principal amount of the outstanding Bonds. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City and may be maintained in whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided however, that such insurance may not be maintained by the City in the form of self-insurance. The Net Proceeds of such insurance shall be applied as provided in Section 6.1(a).

Section 5.5. Rental Interruption Insurance. The City shall procure and maintain, or cause to be procured and maintained, throughout the Term of the Lease Agreement, rental interruption or use and occupancy insurance to cover loss, total or partial, of the use of the Property as a result of any of the hazards covered in the insurance required by Section 5.4, in an amount at least equal to the maximum Lease Payments coming due and payable during any future twenty-four (24) month period. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City and may be maintained in

whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided that such insurance may not be maintained in the form of self-insurance except for a time element deductible not to exceed sixty (60) days in duration. The proceeds of such insurance, if any, shall be paid to the Trustee and deposited in the Revenue Fund, and shall be credited towards the payment of the Lease Payments as the same become due and payable.

Section 5.6. Recordation Hereof; Title Insurance. On or before the Closing Date the City shall, at its expense, (a) cause the Site and Facility Lease and this Lease Agreement, or a memorandum hereof or thereof, in each case in form and substance approved by Bond Counsel, to be recorded in the office of the Los Angeles County Recorder, and (b) obtain a CLTA policy of title insurance which insures the City's leasehold estate in the Property in an amount equal to the aggregate initial principal amount of the Bonds. All Net Proceeds received under said policy shall be deposited with the Trustee in the Redemption Fund and shall be deposited in the Insurance and Condemnation Fund.

Section 5.7. Net Proceeds of Insurance; Form of Policies. Each policy of insurance maintained pursuant to Sections 5.4, 5.5 and 5.6 shall name the Trustee as loss payee so as to provide that all proceeds thereunder shall be payable to the Trustee. All required insurance policies shall be provided by a commercial insurer in one of the two highest rating categories by a Nationally Recognized Statistical Rating Organization (without regard to designations of plus (+) or minus (-)). The City shall pay or cause to be paid when due the premiums for all insurance policies required by this Lease Agreement. All such policies shall provide that the Trustee shall be given thirty (30) days' notice of each expiration, any intended cancellation thereof or reduction of the coverage provided thereby. The Trustee shall not be responsible for the sufficiency or amount of any insurance or self-insurance herein required and shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss. The City shall cause to be delivered to the Trustee annually, no later than February 1 in each year, a certificate stating that all of the insurance policies required by this Lease Agreement are in full force and effect and identifying whether any such insurance is then maintained in the form of self-insurance.

In the event that any insurance maintained pursuant to Section 5.3 shall be provided in the form of self-insurance, the City shall file with the Trustee annually, within ninety (90) days following the close of each Fiscal Year, a statement of the City risk manager, insurance consultant or actuary identifying the extent of such self-insurance and stating the determination that the City maintains sufficient reserves with respect thereto. In the event that any such insurance shall be provided in the form of self-insurance by the City, the City shall not be obligated to make any payment with respect to any insured event except from such reserves. The results of such review shall be filed with the Trustee.

Section 5.8. Installation of Personal Property. The City may, at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed items of equipment or other personal property in or upon any portion of the Property. All such items shall remain the sole property of the City, in which neither the Authority nor the Trustee shall have any interest and may be modified or removed by the City at any time provided that the City shall repair and restore any and all damage to the Property resulting from the installation, modification or removal of any such items. Nothing in this Lease Agreement shall prevent the City from purchasing or leasing items to be installed pursuant to this Section 5.8 under a lease or conditional sale agreement, or subject to a vendor's lien or

security agreement, as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the Property.

Section 5.9. Liens. Neither the City nor the Authority shall, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to any portion of the Property, other than the respective rights of the Trustee, the Authority and the City as provided herein and Permitted Encumbrances. Except as expressly provided in this Article V, the City and the Authority shall promptly, at their own expense, take such action as may be necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim, for which it is responsible, if the same shall arise at any time. The City shall reimburse the Authority for any expense incurred by it in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

Section 5.10. Tax Covenants.

(a) *Private Activity Bond Limitation*. The City shall assure that proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of section 141(b) of the Code or the private loan financing test of section 141(c) of the Code.

(b) *Federal Guarantee Prohibition*. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

(c) *Rebate Requirement*. The City shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds.

(d) *No Arbitrage*. The City shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Bonds to be "arbitrage " within the meaning of section 148 of the Code.

(e) *Maintenance of Tax-Exemption*. The City shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the Closing Date.

Section 5.11. Continuing Disclosure. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Lease Agreement, failure of the City to comply with the Continuing Disclosure Certificate shall not constitute an Event of Default hereunder; *provided, however*, that the Participating Underwriter or any Owner or Beneficial Owner (as defined in the Continuing Disclosure Certificate) of the Bonds may take such actions as may be necessary and appropriate to compel performance by the City of its obligations under this Section 5.11, including seeking mandate or specific performance by court order.

Section 5.12. Payment of Costs of Issuance and Direction of Investments. The City hereby agrees that, pursuant to Section 3.02 of the Indenture, it will direct the payment of Costs of Issuance and that, pursuant to Section 5.07 of the Indenture, it will direct the Investment of funds held by the Trustee, and acknowledges the matters set forth in Section 5.07 of the Indenture.

ARTICLE VI

DAMAGE, DESTRUCTION AND EMINENT DOMAIN; ABATEMENT OF LEASE PAYMENTS

Section 6.1. Application of Net Proceeds.

(a) *From Insurance Award.* The Net Proceeds of any insurance award resulting from any damage to or destruction of the Property by fire or other casualty shall be paid by the City to the Trustee and shall be deposited in the Insurance and Condemnation Fund by the Trustee and applied as set forth in Section 5.06 of the Indenture.

(b) *From Eminent Domain Award.* If the Property or any portion thereof shall be taken permanently or temporarily under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Net Proceeds resulting therefrom shall be deposited in the Insurance and Condemnation Fund and applied as set forth in Section 5.06 of the Indenture.

(c) *From Title Insurance Award.* The Net Proceeds of any title insurance award shall be paid to the Trustee, deposited in the Insurance and Condemnation Fund and applied as set forth in Section 5.06 of the Indenture.

Section 6.2. Abatement of Lease Payments.

(a) *Abatement Due to Damage or Destruction of the Property.* The Lease Payments shall be abated during any period in which by reason of damage to or destruction of the Property (other than by eminent domain which is hereinafter provided for) there is substantial interference with the use and occupancy by the City of the Property or any portion thereof. The amount of such abatement shall be an amount agreed upon by the City and the Authority such that the resulting Lease Payments represent fair consideration for the use and occupancy of the portions of the Property not damaged or destroyed and available for use and possession by the City. Such abatement shall continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction or the date when the remaining portion of the Property is available for use and possession by the City. In the event of any such damage or destruction, this Lease Agreement shall continue in full force and effect and the City waives any right to terminate this Lease Agreement by virtue of any such damage or destruction. There shall be no abatement of the Lease Payments to the extent that moneys derived from any person as a result of such damage or destruction are available to pay the amount which would otherwise be abated or if there is any money available in the Revenue Fund to pay the amount which would otherwise be abated.

(b) *Abatement Due to Eminent Domain.* If all of the Property shall be taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of the Lease Agreement shall cease with respect to the Property as of the day possession shall be so taken. If less than all of the Property shall be taken permanently, or if all of the Property or any part thereof shall be taken temporarily under the power of eminent domain, (i) this Lease Agreement shall continue in full force and effect and shall not be terminated by virtue of such taking and the parties waive the benefit of any law to the contrary, and (ii) there shall be a partial abatement of Lease Payments in an amount to be agreed upon by the City and the Authority such that the resulting Lease

Payments for the Property represent fair consideration for the use and occupancy of the remaining usable portion of the Property.

ARTICLE VII

DISCLAIMER OF WARRANTIES; ACCESS

Section 7.1. Disclaimer of Warranties. THE AUTHORITY MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY THE CITY OF THE PROPERTY, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE PROPERTY. IN NO EVENT SHALL THE AUTHORITY AND ITS ASSIGNS BE LIABLE FOR INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR ARISING OUT OF THE SITE AND FACILITY LEASE, THIS LEASE AGREEMENT OR THE INDENTURE FOR THE EXISTENCE, FURNISHING, FUNCTIONING OR THE CITY'S USE OF THE PROPERTY.

Section 7.2. Rights of Access. The City agrees that the Authority and any Authorized Representative of the Authority, and the Authority's successors or assigns, shall have the right at all reasonable times to enter upon and to examine and inspect the Property. The City further agrees that the Authority, any Authorized Representative of the Authority, and the Authority's successors or assigns, shall have such rights of access to the Property as may be reasonably necessary to cause the proper maintenance of the Property in the event of failure by the City to perform its obligations hereunder; provided, however, that the Authority's assigns shall not be required to cause such proper maintenance.

Section 7.3. Non-Liability of the Authority. The Authority shall not be obligated to pay the principal of or interest on the Bonds, except from Revenues and other moneys and assets received by the Trustee pursuant to this Lease Agreement. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Authority or any member of the Authority is pledged to the payment of the principal or interest on the Bonds. Neither the Authority nor its members, Board members, officers, agents or employees or their successors and assigns shall be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under, by reason of or in connection with this Lease Agreement, the Bonds or the Indenture, except only to the extent amounts are received for the payment thereof from the City under this Lease Agreement.

The City hereby acknowledges that the Authority's sole source of moneys to repay the Bonds will be payments made by the City to the Trustee pursuant to this Lease Agreement, together with investment income on certain funds and accounts held by the Trustee under the Indenture, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal and interest on the Bonds as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Trustee, the City shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, the City, the Authority or any third party, subject to any right of reimbursement from the Authority or any such third party, as the case may be, therefor but solely, in the case of the Authority, from the Revenues.

Section 7.4. Expenses. The City shall pay and indemnify the Authority and the Trustee against all reasonable fees, costs and charges, including reasonable fees and expenses of attorneys, accountants, consultants and other experts, incurred in good faith (and with respect to the Trustee, without negligence or willful misconduct) and arising out of or in connection with the Site and Facility Lease, this Lease Agreement, the Indenture and the Bonds. These obligations and those in Section 7.5 shall remain valid and in effect notwithstanding payment of the Lease Payments or the Bonds or termination of this Lease Agreement or the Indenture.

Section 7.5. Indemnification.

(a) To the fullest extent permitted by law, the City agrees to indemnify, hold harmless and defend the Authority, the Trustee, and each of their respective past, present and future officers, members, Board members, officials, officers, directors, employees, attorneys and agents (collectively, the "Indemnified Parties"), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under or any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

(i) the Bonds, the Indenture, the Site and Facility Lease, this Lease Agreement or the Tax Certificate relating to the Bonds, or the execution or amendment hereof or thereof or in connection with transactions contemplated hereby or thereby, including the issuance, sale or resale of the Bonds;

(ii) any act or omission of the City or any of its agents, contractors, servants, employees, tenants) or licensees in connection with the Property, the operation of the Property, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Property or any part thereof;

(iii) any lien or charge upon payments by the City to the Authority and the Trustee hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Authority or the Trustee in respect of any portion of the Property;

(iv) any violation of any environmental laws or regulations with respect to, or the release of any hazardous substances from, the Property or any part thereof;

(v) the defeasance and/or redemption, in whole or in part, of the Bonds;

(vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact contained in any offering statement or disclosure or continuing disclosure document for the Bonds or any of the documents relating to the Bonds, or any omission or alleged omission from any offering statement or disclosure or continuing disclosure document for the Bonds of any material fact necessary to be stated therein in order to make the statements made

therein, in the light of the circumstances under which they were made, not misleading;

(vii) any declaration of taxability of interest on the Bonds, or allegations that interest on the Bonds is taxable or any regulatory audit or inquiry regarding whether interest on the Bonds is taxable; or

(viii) the Trustee's acceptance or administration of the trust of the Indenture, or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Bonds to which it is a party;

except (A) in the case of the foregoing indemnification of the Trustee or any of its respective officers, members, directors, officials, employees, attorneys and agents, to the extent such damages are caused by the negligence or willful misconduct of such Indemnified Party; or (B) in the case of the foregoing indemnification of the Authority or any of its officers, members, directors, officials, employees, attorneys and agents, to the extent such damages are caused by the willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the City, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the City shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the City if in the judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

(b) The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses shall survive the final payment or defeasance of the Bonds and in the case of the Trustee any resignation or removal. The provisions of this Section 7.5 shall survive the termination of this Lease Agreement.

Section 7.6. Waiver of Personal Liability. No member, Board member, officer, agent or employee of the Authority or any officer, agent or employee of the City shall be individually or personally liable for the payment of any principal of or interest on the Bonds or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Lease Agreement, but nothing herein contained shall relieve any such member, Board member, officer, agent or employee from the performance of any official duty provided by law or by this Lease Agreement.

ARTICLE VIII

ASSIGNMENT, LEASING AND AMENDMENT

Section 8.1. Assignment by the Authority. Certain rights of the Authority under this Lease Agreement, including the right to receive and enforce payment of the Lease Payments to be made by the City under this Lease Agreement, have been pledged and assigned to the Trustee for the benefit of the Owners of the Bonds pursuant to the Indenture, to which pledge and assignment the City hereby consents. The assignment of this Agreement to the Trustee is solely in its capacity as Trustee under the Indenture and the duties, powers and liabilities of the Trustee in acting hereunder shall be subject to the provisions of the Indenture, including, without limitation, the provisions of Article VIII thereof.

Section 8.2. Assignment and Subleasing by the City. This Lease Agreement may not be assigned by the City. The City may sublease the Property or any portion thereof, subject to, and delivery to the Authority and the Trustee of a certificate as to, all of the following conditions:

(a) This Lease Agreement and the obligation of the City to make Lease Payments hereunder shall remain obligations of the City;

(b) The City shall, within thirty (30) days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of such sublease (which the Trustee has no duty or obligation to review or examine and in no event shall be responsible for the contents of such sublease);

(c) No such sublease by the City shall cause the Property to be used for a purpose other than as may be authorized under any applicable provisions of the laws of the State; and

(d) The City shall furnish the Authority and the Trustee with a written opinion of Bond Counsel, stating that such sublease is permitted by this Lease Agreement and the Indenture, and will not, in itself, cause the interest on the Bonds to become included in gross income of the Owners of the Bonds for federal income tax purposes.

Section 8.3. Amendment of Lease.

(a) *Substitution of Site*. The City shall have, and is hereby granted, the option at any time and from time to time during the Term of the Lease Agreement to substitute other land (a "Substitute Site") for the Site (the "Former Site"), or a portion thereof, provided that the City shall satisfy all of the following requirements which are hereby declared to be conditions precedent to such substitution:

(i) The City shall file with the Authority and the Trustee an amended Exhibit A to the Site and Facility Lease which adds thereto a description of such Substitute Site and deletes therefrom the description of the Former Site;

(ii) The City shall file with the Authority and the Trustee an amended Exhibit A to this Lease Agreement which adds thereto a description of such Substitute Site and deletes therefrom the description of the Former Site;

(iii) The City shall certify in writing to the Authority and the Trustee that such Substitute Site serves the purposes of the City, constitutes property that is unencumbered (or the portion of such property to be substituted is unencumbered), subject to Permitted Encumbrances, and constitutes property which the City is permitted to lease under the laws of the State;

(iv) The City delivers to the Trustee and the Authority evidence (which may be an officer's certificate of the City) that the Substitute Site (or the portions to be substituted) is of equal or greater value than the Site (or the portions thereof) to be substituted;

(v) The City shall certify the Substitute Site shall not cause the City to violate any of its covenants, representations and warranties made herein;

(vi) The City shall obtain an amendment to the title insurance policy required pursuant to Section 5.6 hereof which adds thereto a description of the Substitute Site and deletes therefrom the description of the Former Site;

(vii) The City shall certify that the Substitute Site is of the same or greater essentiality to the City as was the Former Site;

(viii) The City shall certify that the Substitute Site has a useful life equal to or longer than the remaining term of the Bonds; and

(ix) The City shall provide notice of such substitution to any rating agency then rating the Bonds.

(b) *Substitution of Facility.* The City shall have, and is hereby granted, the option at any time and from time to time during the Term of the Lease Agreement to substitute a substitute facility or substitute facilities (a "Substitute Facility") for the Facility (the "Former Facility"), or a portion thereof, provided that the City shall satisfy all of the following requirements which are hereby declared to be conditions precedent to such substitution:

(i) The City shall file with the Authority and the Trustee an amended Exhibit B to the Site and Facility Lease which adds thereto a description of such Substitute Facility and deletes therefrom the description of the Former Facility, if applicable;

(ii) The City shall file with the Authority and the Trustee an amended Exhibit B to this Lease Agreement which adds thereto a description of such Substitute Facility and deletes therefrom the description of the Former Facility;

(iii) The City shall certify in writing to the Authority and the Trustee that such Substitute Facility serves the purposes of the City, constitutes property that is unencumbered (or the portion of such property to be substituted is unencumbered), subject to Permitted Encumbrances, and constitutes property which the City is permitted to lease under the laws of the State;

(iv) The City delivers to the Trustee and the Authority evidence (which may be an officer's certificate of the City) that the Substitute Facility (or the portions to be

to substitute) is of equal or greater value than the property (or the portions thereof) to be to substitute;

(v) The City shall certify the Substitute Facility shall not cause the City to violate any of its covenants, representations and warranties made herein;

(vi) The City shall certify that the Substitute Facility is of the same or greater essentiality to the City as was the Former Facility;

(vii) The City shall certify that the Substitute Facility has a useful life equal to or longer than the remaining term of the Bonds; and

(viii) The City shall provide notice of such substitution to any rating agency then rating the Bonds.

(c) *Release of Site.* The City shall have, and is hereby granted, the option at any time and from time to time during the Term of the Lease Agreement to release any portion of the Site, provided that the City shall satisfy all of the following requirements which are hereby declared to be conditions precedent to such release:

(i) The City shall file with the Authority and the Trustee an amended Exhibit A to the Site and Facility Lease which describes the Site, as revised by such release;

(ii) The City shall file with the Authority and the Trustee an amended Exhibit A to this Lease Agreement which describes the Site, as revised by such release;

(iii) The City delivers to the Trustee and the Authority evidence (which may be an officer's certificate of the City) that the Site, as revised by such release, including the value of the Facility (other than any portion thereof, or the Site or any portion thereof to be released), has a value at least equal to the principal amount of the Bonds then outstanding;

(iv) The City shall obtain an amendment to the title insurance policy required pursuant to Section 5.6 hereof which describes the Site, as revised by such release; and

(v) The City shall provide notice of such release to any rating agency then rating the Bonds.

(d) *Release of Facility.* The City shall have, and is hereby granted, the option at any time and from time to time during the Term of the Lease Agreement to release any portion of the Facility provided that the City shall satisfy all of the following requirements which are hereby declared to be conditions precedent to such release:

(i) The City shall file with the Authority and the Trustee an amended Exhibit B to the Site and Facility Lease which describes the Facility, as revised by such release;

(ii) The City shall file with the Authority and the Trustee an amended Exhibit B to this Lease Agreement which describes the Facility, as revised by such release;

(iii) The City delivers to the Trustee and the Authority evidence (which may be an officer's certificate of the City) that the Facility, as revised by such release, together with the Site (that remains subject to this Lease Agreement), has a total value at least equal to the principal amount of the Bonds then outstanding; and

(iv) The City shall provide notice of such release to any rating agency then rating the Bonds.

Notwithstanding any other provision hereof, on or after the Completion Date, the City shall have the absolute right to substitute the 2022 Project, as described in Exhibit C to the Indenture, and its related site (the "Project Site"), for the Site and the Facility subject to this Lease Agreement and the Site and Facility Lease, and to release the Site and the Facility from this Lease Agreement and the Site and Facility Lease without requiring the prior approval of the City Council or the Board of Directors of the Authority, but subject to the following:

(i) The City shall file with the Authority and the Trustee an amended Exhibit A to the Site and Facility Lease which adds thereto a description of the Project Site and deletes therefrom the description of the Site;

(vi) The City delivers to the Trustee and the Authority evidence (which may be an officer's certificate of the City) that the 2022 Project is of equal or greater value than the outstanding principal amount of the Bonds;

(vii) The City shall certify that the 2022 Project is of the same or greater essentiality to the City as was the Facility; and

(viii) The City shall certify that the 2022 Project has a useful life equal to or longer than the remaining term of the Bonds.

(e) *Generally.* The Authority and the City may at any time amend or modify any of the provisions of this Lease Agreement, subject to Section 6.09 of the Indenture, but only (a) with the prior written consents of the Owners of a majority in aggregate principal amount of the Outstanding Bonds, or (b) without the consent of any of the Bond Owners, but only if such amendment or modification is for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City contained in this Lease Agreement, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or power herein reserved to or conferred upon the City;

(ii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained herein, or in any other respect whatsoever as the Authority and the City may deem necessary or desirable, provided that, in the opinion of Bond Counsel, such modifications or amendments will not materially adversely affect the interests of the Owners of the Bonds; or

(iii) to amend any provision thereof relating to the Code, to any extent whatsoever but only if and to the extent such amendment will not adversely affect the exclusion from gross income of the Owners of the Bonds of interest on the Bonds under the Code, in the opinion of Bond Counsel.

ARTICLE IX

EVENTS OF DEFAULT; REMEDIES

Section 9.1. Events of Default Defined. The following shall be "Events of Default" under this Lease Agreement:

(a) Failure by the City to pay any Lease Payment required to be paid hereunder at the time specified herein.

(b) Failure by the City to make any Additional Payment required hereunder and the continuation of such failure for a period of thirty (30) days after notice thereof is given to the City by the Trustee.

(c) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in the preceding clauses (a) or (b), for a period of sixty (60) days after written notice specifying such failure and requesting that it be remedied has been given to the City by the Authority or the Trustee; provided, however, that if in the reasonable opinion of the City the failure stated in the notice can be corrected, but not within such sixty (60) day period, such failure shall not constitute an Event of Default if the City shall commence to cure such failure within such sixty (60) day period and thereafter diligently and in good faith shall cure such failure in a reasonable period of time which shall last no longer than 120 days after the original written notice.

(d) The filing by the City of a voluntary petition in bankruptcy, or failure by the City promptly to lift any execution, garnishment or attachment, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings instituted under the provisions of applicable federal bankruptcy law, or under any similar acts which may hereafter be enacted.

Section 9.2. Remedies on Default. Whenever any Event of Default referred to in Section 9.1 shall have happened and be continuing, it shall be lawful for the Authority to exercise any and all remedies available pursuant to law or granted pursuant to this Lease Agreement; provided, however, that notwithstanding anything to the contrary herein or in the Indenture, there shall be no right under any circumstances to accelerate the Lease Payments or otherwise declare any Lease Payments not then in default to be immediately due and payable or to terminate this Lease Agreement or to cause the fee interest of the City in the Property to be sold, assigned or otherwise alienated. Each and every covenant hereof to be kept and performed by the City is expressly made a condition and, upon the breach thereof, the Authority may exercise any and all rights of entry and re-entry upon the Property. The City hereby irrevocably consents to the Authority's repossession of the Property if such an Event of Default shall occur and consents to the Authority's re-letting of the Property for the account of the City. In the event of such default and notwithstanding any re-entry by the Authority, the City shall, as herein expressly provided, continue to remain liable for the payment of the Lease Payments and/or damages for breach of this Lease Agreement and the performance of all conditions herein contained and, in any event,

such rent and/or damages shall be payable to the Authority at the time and in the manner as herein provided, to wit:

(a) The City agrees to and shall remain liable for the payment of all Lease Payments and the performance of all conditions herein contained and shall reimburse the Authority for any deficiency arising out of the re-leasing of the Property, or, in the event the Authority is unable to re-lease the Property, then for the full amount of all Lease Payments to the end of the Term of the Lease Agreement, but said Lease Payments and/or deficiency shall be payable only at the same time and in the same manner as hereinabove provided for the payment of Lease Payments hereunder, notwithstanding such entry or re-entry by the Authority or any suit in unlawful detainer, or otherwise, brought by the Authority for the purpose of effecting such re-entry or obtaining possession of the Property or the exercise of any other remedy by the Authority.

(b) The City hereby irrevocably appoints the Authority as the agent and attorney-in-fact of the City to enter upon and re-lease the Property in the event of default by the City in the performance of any covenants herein contained to be performed by the City and to remove all personal property whatsoever situated upon the Property to place such property in storage or other suitable place in Los Angeles County, for the account of and at the expense of the City, and the City hereby exempts and agrees to save harmless the Authority from any costs, loss or damage whatsoever arising or occasioned by any such entry upon and re-leasing of the Property and the removal and storage of such property by the Authority or its duly authorized agents in accordance with the provisions herein contained.

(c) The City hereby waives any and all claims for damages caused or which may be caused by the Authority in re-entering and taking possession of the Property as herein provided and all claims for damages that may result from the destruction of or injury to the Property and all claims for damages to or loss of any property belonging to the City that may be in or upon the Property.

(d) The City agrees that the terms of this Lease Agreement constitute full and sufficient notice of the right of the Authority to re-lease the Property in the event of such re-entry without effecting a surrender of this Lease Agreement, and further agrees that no acts of the Authority in effecting such re-leasing shall constitute a surrender or termination of this Lease Agreement irrespective of the term for which such re-leasing is made or the terms and conditions of such re-leasing, or otherwise.

Section 9.3. Limitation on Remedies. Notwithstanding the foregoing provisions of Section 9.2, neither the Authority nor the Trustee shall exercise any remedies against the Property to the extent such remedies would generate funds which are not available to satisfy the obligations of this Lease Agreement or the Indenture.

Section 9.4. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Authority is intended to be exclusive and every such remedy shall be cumulative and shall, except as herein expressly provided to the contrary, be in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved to it in this Article IX it shall

not be necessary to give any notice, other than such notice as may be required in this Article IX or by law.

Section 9.5. Agreement to Pay Attorneys' Fees and Expenses. In the event either party to this Lease Agreement should default under any of the provisions hereof and the non-defaulting party should employ attorneys or incur other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it will on demand therefor pay to the non-defaulting party the reasonable fees of such attorneys and such other expenses so incurred by the non-defaulting party.

Section 9.6. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Lease Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 9.7. Trustee and Bond Owners to Exercise Rights. Such rights and remedies as are given to the Authority under this Article IX have been assigned by the Authority to the Trustee under the Indenture, to which assignment the City hereby consents. Such rights and remedies may be exercised by the Trustee and the Owners of the Bonds as provided in the Indenture. The Trustee shall be considered a third-party beneficiary of this Lease Agreement for enforcing its rights under this Lease Agreement.
