

**FORM OF FINAL OPINION OF BOND COUNSEL**

May 7, 2024

Governing Board of the  
Campbell Union School District  
155 North Third Street  
Campbell, California 95008-2044

**OPINION:** \$55,000,000 Campbell Union School District (Santa Clara County, California) 2024 General Obligation Bonds (Series 2010J and Series 2022A Combined Issue)

---

Members of the Governing Board:

We have acted as bond counsel to the Campbell Union School District (the “District”) in connection with the issuance by the District of \$55,000,000 principal amount of Campbell Union School District (Santa Clara County, California) 2024 General Obligation Bonds (Series 2010J and Series 2022A Combined Issue) (the “Bonds”), pursuant to the provisions of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 (commencing with section 53506) of the California Government Code (the “Act”), and a resolution adopted by the Governing Board of the District on March 28, 2024 (the “Resolution”). The Bonds are a combination of two issues of general obligation bonds of the District, its \$23,000,000 Campbell Union School District (Santa Clara County, California) General Obligation Bonds, Election of 2010, Series J (2024), and its \$32,000,000 Campbell Union School District (Santa Clara County, California) General Obligation Bonds, Election of 2022, Series A (2024). We have examined the law and such certified proceedings and other papers as we deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the District contained in the Resolution and in the certified proceedings and certifications of public officials and others furnished to us, without undertaking to verify such facts by independent investigation.

Based upon our examination, we are of the opinion, as of the date hereof, that:

1. The District is duly created and validly existing as a school district with the power to cause the Board to issue the Bonds in its name and to perform its obligations under the Resolution and the Bonds.
2. The Resolution has been duly adopted by the District and creates a valid first lien on the funds pledged under the Resolution for the security of the Bonds.
3. The Bonds have been duly authorized, executed and delivered by the Board and are valid and binding general obligations of the District. The Board of Supervisors of Santa Clara County is required under the Act to levy a tax upon all taxable property in the District for the interest and redemption of all outstanding bonds of the District, including the Bonds. The Bonds are payable from an ad valorem tax levied without limitation as to rate or amount.

4. Subject to the District's compliance with certain covenants, interest on the Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not included as an item of tax preference in computing the federal alternative minimum tax for individuals under the Internal Revenue Code of 1986, as amended. Interest on the Bonds may affect the corporate alternative minimum tax for certain corporations. Failure to comply with certain of such covenants could cause interest on the Bonds to be includable in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds.

5. The interest on the Bonds is exempt from personal income taxation imposed by the State of California.

Ownership of the Bonds may result in other tax consequences to certain taxpayers, and we express no opinion regarding any such collateral consequences arising with respect to the Bonds.

The rights of the owners of the Bonds and the enforceability of the Bonds and the Resolution may be subject to the bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and also may be subject to the exercise of judicial discretion in accordance with general principles of equity.

Our opinion represents our legal judgment based upon such review of the law and the facts that we deem relevant to render our opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Respectfully submitted,
